

Milltown News

Volume 9 Issue 4

December/January 2007

Dear Quilters,

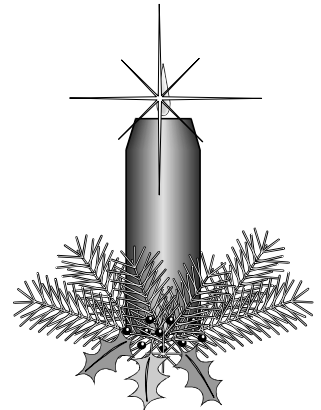

Are you in full gear? Running around like crazy already? Starting a bunch of new things you may or may not complete in time? Welcome to the Holiday Club! Now, take a deep breath, set your watch alarm for 3:00 p.m. and plan to sit down then with a hot beverage, some quilting or a trashy book, and RELAX. Try to enjoy the moment!

And while you're having a little sit-down, start thinking about your year ahead with Milltown Quilters. We have a lot going on, so be sure to check the calendar and notices in this issue. You can be thinking about what you want to do to help out with our quilt show; there is a lot to do before April 19th when the show opens to the public. Have you picked up your raffle tickets and the picture of our lovely raffle quilt? The tickets are a perfect holiday gift or perhaps you can sell some to friends and family you'll be seeing over the holidays. Remember, the raffle quilt not only brings in the largest share of our revenue, it also is our way to brag about what we are all about.

Maybe you will be making items for the Silent Auction: you can plan to sew large items as well as cash and carry, hand-made items to sell. Start a shopping bag or carton of "things" I have to give/sell at the Peddler's Table. And, last but not least, focus on finishing your masterpiece in time to register it for the show. Maybe we'll have some snow days this December or January when you'll have time to not only think, but to work on your projects as well.

Enjoy your holidays, whatever you may celebrate; your friends and families and remember to take a little time for yourself—you can sip your tea ever so slowly!

Shirley

Have A Safe And Happy Holiday Season!
