Dear Quilters,

It's a lovely, sunny and crisp fall day. I've been sitting in my "box" for the past two weeks and I want to share with you what I've learned about staying within. For one thing, the view outside while more restricted, is still really beautiful and will be getting better as the leaves turn with approaching cooler days and nights. Now I focus on the little details: the birds, chipmunks and squirrels, the last of the summer flowers. Our roses are still blooming and my husband cut the end of our zinnias yesterday. I'm looking forward to seeing the sugar maple in front of the house across the street turning bright orange as it does every year - lucky us! We get the view without the raking. My friends and family, I am reminded, are really wonderful.

Meals appear and taste delicious. Calls, visits, cards and hugs have all made my days fly by! How do I ever say thanks so they know how much it means that they care! And, I've been able to sew a little, read a lot and catch up on cable movies I've had on tape for ages. I guess slowing down is a little good for all of us, even if we are "boxed in". But, I'll be more than ready when the time comes to push out of my box; to get back to normal, to over-do and run around and look back over a day when I've done nothing I had planned. I'm grateful that my in-the-box days are limited; that I have so many things to appreciate and look forward to; when I can get up and walk around without having to keep my leg up in the air! I can't wait for our activities this year: Boo Bingo, Susan McKelvey and Jeanne Benson, the Silent Auction, our trips to Lancaster, and then our Christmas luncheon! And of course, we have the Mystery Quilt, our Drafting Classes and our show and tells!!!!

Happy Fall!

Shirley
